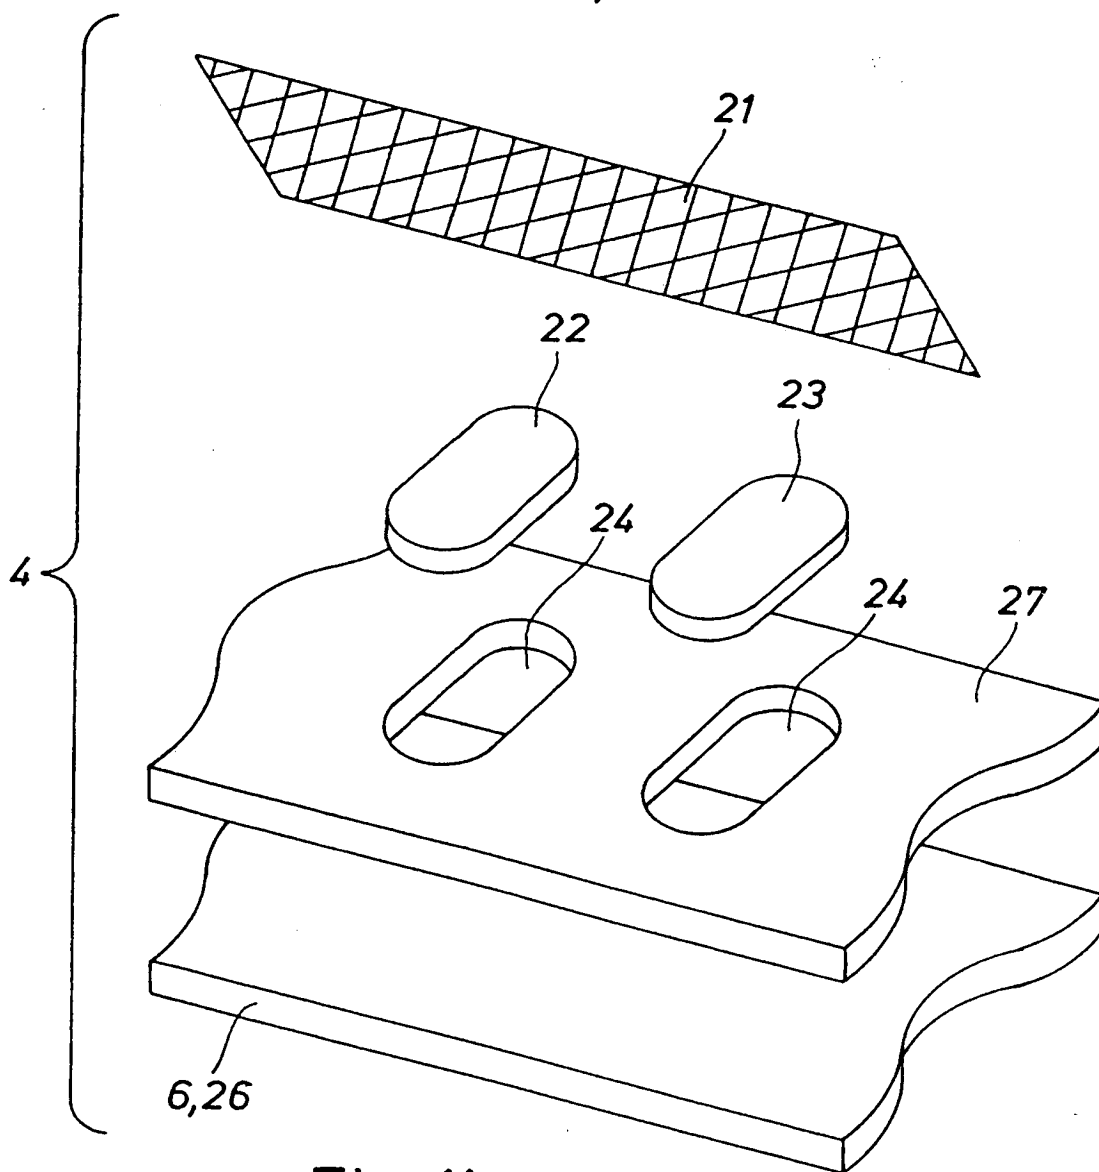

Fig. 11

Fig. 1 is a perspective view of a cylindrical container 3. The container has a circular base 14. Inside the base, there are several small, irregular shapes representing internal components or contents.

A cross-sectional view of a multi-layered material structure. The structure consists of several layers. The top layer is labeled 4. Below it is a layer with diagonal hatching, labeled 15. Underneath that is a layer with a cross-hatch pattern, labeled 6. Below the cross-hatch layer are two layers with diagonal hatching, labeled 7 and 5 respectively. The bottom layer is labeled 5.
